***Due to the Covid-19 regulations our swim season is going to look different. Practice times may rotate weekly to allow as many children to have a summer swim experience as possible. We do not have any meets on the schedule, but have agreements with area swim clubs that want to schedule as soon as restrictions are lifted. We anticipate swim meets beginning at the end of June. We are not collecting the \$100 work deposit this year, however we will still need workers for swim meets. That schedule will be posted with online sign ups when it becomes available.

By registering and signing you are confirming that you are in good financial standing with Riverlands Golf and Country Club, and all invoices from the 2019 season are paid in full. All swim team members must pay the 2020 summer swim membership, or be a full member of Riverlands Golf and Country Club before registering for the Stingrays swim team. By signing you are also agreeing to complete worker shifts as they become available or find someone to work them for you.
